## MATT AND CAT'S DINING CLUB

Matt and Cat know where to go to get the best food and are keen to share their experiences. So they've set up Matt and Cat's Dining Club, and invited some of the Island's very best venues to offer discounts for Dining Club members.

Matt and Cat's Dining Club is a loyalty card scheme. It works, simply enough, by diners buying a card which gives the cardholder and one other diner access to special offers in Matt and Cat's recommended local eateries.

There are two types of Dining Club card:

- an annual card which costs £25, and
- a visitors' card which is valid for two weeks and costs just £10.

Both the annual and visitors' card are valid for all of the Dining Club offers.

Dining Club members will receive a regular newsletter of food-related news and updates of Dining Club offers.

Members will also be invited to exclusive meals, curated by Matt and Cat.

## FOUNDER VENUES
